The marriage ceremony between
Diana Nancy Raju
and
David-Leon Pohl
on August 14th 2021 at 11:30

You will find the Wedding Hall on the 1st floor to the left of the large mural on the City Hall balcony.

Due to government restrictions you are not allowed to bring more than 13 guests to the ceremony.

The Mayor or a Registrar will be in charge of the wedding ceremony. At your wedding there will only be one employee present who can act as a witness. This means that **you have to bring one witness**.

Are you going to exchange rings at the wedding, you can let us know on the day or in advance to the Marriage Office.

You are welcome to take photos or use a camcorder during the wedding ceremony. Your wedding ceremony will take 5 – 10 minutes.

If you have any questions regarding the ceremony, please contact us:

- by phone: +45 3821 2111 or
- by e-mail: vielser@frederiksberg.dk

If you are unable to attend for your wedding please contact the city hall attendant by phone +45 2898 2122.

Only the main entrance from the Frederiksberg City Hall Square is open on Saturdays.

On the day of your wedding

Please arrive no later than five minutes before the ceremony. You should wait for the city hall attendant to summon you to the Wedding Hall. There will often be more than one wedding on any day, and minor delays are, unfortunately, almost impossible to avoid.

When you and your witness(es) have entered the Wedding Hall, the Registrar will ask for your full names in order to confirm your identity. The Registrar will then read the ritual.

After the ritual, you may exchange rings, and you will then sign the marriage register. Your witness(es) must write name, address and sign the marriage register.

Finally, you will get your marriage certificates and a copy of the marriage ritual.

Reservations are made for the wedding and number of guests due to the development of the COVID-19 in Denmark.

Kind regards
The Marriage Office

The Wedding Hall was decorated by the Danish painter Sikker Hansen. The paintings in the room describe various stages of the meeting of a man and a woman: The young couple meet in nature, the man covers the bride in the bridal dress, the man and the woman share bed and board, the woman nurses the baby. The wall at the back shows mother and children in nature, and the small areas between the windows describe winter and spring.
